OUR COMMITMENT TO YOU

Commitment to Quality:

Our Interiors Specialists will work with you to understand your requirements and we will recommend the right products to meet your needs both in terms of design, budget and environmental impact.

We aim to offer outstanding service, excellent products at the best price.

Commitment to the Environment:

We work closely with our partners and clients to ensure we keep any impact on the environment as low as possible.

We are committed to only providing products from sustainable sources and each of our manufacturers have the relevant FSC, FIRA, FISP & ISO accreditations.

We also offer furniture ranges that are 100% recyclable and many products that have been manufactured using recycled components.

OUR SERVICES

Project Management:

We will work with you to create the perfect working environment, within budget and on time. We pride ourselves on our ability to turn your plans into reality.

H&S / DSE Surveys:

Our interior specialists can advise you on office layouts and specialist products to ensure that the needs of all of your staff are met.

Space Planning & Design:

We use the latest software to provide you with accurate floor plans. These plans will be used during installation to ensure all products are installed to point of use.

Showroom Visits:

To assist you in choosing the correct products, we can arrange to take you to our showroom to view any products before you commit to ordering them.

Sample Products:

If you are unsure of any products you wish to purchase from us, where possible we will arrange to loan you the product for a period of time for evaluation.

Delivery & Installation:

We will supply, deliver and install your office furniture and interiors products and we'll also remove all packaging from site. This packaging will be re-used or recycled.
