

# JUICE MACHINES

## SLIM LINE

Juice is fruity, refreshing and healthy. If it is also served from one of Coffee Queen juice dispensers, it is quick, flexible and easy to enjoy.

Our dispensers are well designed and practical. They offer maximum capacity yet require minimal space. With dispensers that take up to 2 x 10 litres of juice concentrate, numerous jugs of juice can be served smoothly and simply with just a single push of a button. With no heavy jugs to carry, you are free to take care of your guests.

## FACTS

- For up to two products with or without fruit pulp as well as chilled water
- Minimal amount of movable parts, no pumps
- Easy to clean
- Adjustable mixing ratio
- Drip tray with drain
- Cabinet holds 2 x 10 litres bag-in-boxes
- Illuminated front sign
- Easy to change front
