## BY CHOOSING GREEN & GOOD™...

By choosing a product from the Green & Good™ range, you can be assured all products are produced with the environment in mind and are ethically sourced. All of the products in this catalogue fulfil our strict Code of Conduct:

- No child labour
- Suppliers fulfilling legal wage requirements
- Fair working conditions
- Human rights are respected
- Safe working conditions
- No use of prohibited AZO dyes, formaldehyde, nickel etc\*
- Use of organic raw materials\*\*
- Raw materials bought at above market rates\*\*\*

We are proud to say that all of our cotton bags are Oekotex 100 certified. This means that there is no use of prohibited and harmful chemicals during the production of these bags. In addition to this, all of our cotton and jute factories are SMETA audited to ensure a responsible and ethical production.

Be confident that what you will receive is an environmentally and socially conscious product.
